President, BOBA

2015 EDITION OF "BOBA INFORMATION FLYER"

The first edition of the ***BOBA Information Flyer*** was produced in 2013 and presented at the various interactive sessions across States and Townships Branches of the Association. The objective was to have basic and relevant information about BOBA –objectives, aims, history, intervention in Barewa College, list of members of the National Executive Committee (NEC), Board of Trustees (BoT) and Patrons of the Association. There were also lists of past and present BOBA Presidents and of past and present Secretaries General of the Association. The list of the five (5) Heads of State and Presidents trained in Barewa College, Zaria was also included.

The 2014 Edition was presented in Dutse, Jigawa State. "***2014 Edition of BOBA Information Flyer***" is all the information in the 2013 edition plus other information that members of the Association, Students of the College, past and present teachers of the College and the general public will find relevant as all that the College, its members and the Association has achieved since establishment of the College in its Ninety three (93) years of existence since 1921.

The 2014 Edition has list of old students who were Governors or Military Administrators and ruled in Kaduna and in other States of the Federation. There is list of past and present Vice Chancellors of Nigerian Universities, and that of the Executive Secretaries of National Universities Commission (NUC); Past and present principals of the College since 1921; old students that served as Ministers of the Federation from independence in 1960 to date. There is also list of Sultans, Emirs, the Lamido, Etsu's and Chiefs as paramount traditional rulers who attended the College. There is also other old students that have been pioneers as students in Institutions, and prominent parastatals as Chief Executives (CEO's) and in many other positions of authority at both national and international levels.

The objectives in the 2014 edition was to present these details as accomplishments of what members of the Barewa Old Boys Association who drank from the fountain of knowledge either at Katsina Training College, Katsina Higher College, Kaduna College, Zaria Secondary School, Government College, Zaria or Barewa College Zaria have achieved and to serve as motivation to others to emulate.

The contributions of members of BOBA in building Northern Region, Northern Nigeria and indeed the Nation was painstakingly highlighted in the ***"2014 BOBA Information Flyer"*** and meant to showcase the integrity, culture, tradition, comportment and etiquette in addition to sound moral breeding and quality education that members of the Association who have been placed in positions of responsibility in the development of Nigeria all these past years. They have displayed with courage, honesty and transparency in the true spirit of ***"Man Jadda Wa Jadda"***

This 2015 Edition is an improvement on the 2014 version as some prominent old boys left out in the previous two publications were included. Some minor mistakes especially in Barewa admission numbers were corrected and the interventions by old boys and / or friends of the College or the Association were updated.

There is also a list of members of the Association honoured with the Centenary Award in 2014, as well as those members who participated in the 2014 National Constitutional Conference.

As this 2015 edition was being compiled, Mallam Garba Jalam (B.1572) coincidentally sent in a short message through my cell-phone and advised on the inclusion of names of Professors and Nigeria's Ambassadors who attended the College in future Information Flyer. A brilliant idea which the editorial committee accepted and immediately started networking to get these names. At that time too, the need to include those members of the Association who attended the Senior Executive Course (SEC) at the prestigious National Institute for Policy

and Strategic Studies (NIPSS), Kuru, near Jos and were awarded the Member of the National Institute (mni) Certificate was made. We are grateful for this well-thought inputs from Malam Garba Jalam (B.1572) as well as those contacted and who assisted with names. These include Dr. Muhammad Ali Hussein, *mni* (B.2506); Mall. Sani Idris Mailafiya (B.2870); Dr. Nasir Usman, *mni* (B.4358) among others. In this 2015 edition therefore, there are lists of members who attained the rank of professorship and their disciplines, those appointed Ambassadors or High Commissioners in Nigeria's Missions overseas with indication of at least a Country they served and list of members who attended the SEC at NIPSS, Kuru, near Jos.

BRIEF HISTORY OF BAREWA COLLEGE, ZARIA

*Barewa College, Zaria variously known as Katsina Teacher's College; Katsina Higher College; Kaduna College, Zaria Secondary School; Government College Zaria; and now Barewa College, Zaria was first established in Katsina as Katsina Teachers' College in 1921 essentially to train teachers for the Northern Provinces. The then Governor General of Nigeria, Sir Hugh Clifford, while addressing pioneer the students, said: **"it is very necessary that the young men who would receive their training in this College, and who will thereafter carry the torch of learning and knowledge, to all parts of Northern Provinces should concentrate all their energies upon the task that is set on them during their period of training. It will fall on them to teach not only the lessons learned from the books but the GOOD MANNERS, the GOOD BEHAVIOUR, COURTEOUS DEPORTMENT without which book-learning is of little worth. Let each of them remember that "No man securely commands save he who hath learned well to obey"**.*

As the need to recruit Northerners into the Civil service became greater, the College was upgraded to Katsina Higher College in 1929 with emphasis on man-power development. It was then that teaching of science was introduced in order to equip the students with opportunities for Technical Training, Engineering, Pharmacy, Forestry and Agricultural Studies as well as Medical Studies at Yaba. It was also then (in 1929) that the idea of moving the College to a more central location as well as raising it to the same level with Yaba, was mooted. But the global political and economic situation of the period (1930s -40s) made the colonial administration change gear; even the movement to Kaduna got approval only in 1935 and became actualized in 1937/8. The new location had originally been Zaria but at the point of implementation it was switched to Kaduna.

The single stream of 25 students was doubled in 1945 when 50 students were admitted. In 1949, the College was finally transferred to Zaria.

The College moved to Zaria as Zaria Secondary School and in 1956 when some of the Provincial Secondary Schools were about to become full Secondary Schools, its name was changed to Government College, Zaria.

The name BAREWA, which was adopted in 1971, evolved from its symbol, signifying progress in the swift movement of the gazelle. This followed the emergence of six State Governments in the former Northern region some of which began to establish their own Government Colleges.

All students of Barewa College are assigned admission numbers. From Barewa No.1 Student at inception to end of year 2012, Barewa numbers of up to 25,296 have been assigned.

1.0 OBJECTIVES OF THE BAREWA OLD BOYS ASSOCIATION (BOBA)

The objectives of the Association are:

- (a) To provide opportunities for social intercourse between past and present students of the College;
- (b) To facilitate and maintain contact among all the past and present students and teachers of the College;
- (c) To organize and carry out annual activities of its members on the premises of the College at Zaria or elsewhere;
- (d) To award scholarships and decorations to deserving students of the College and members of staff of the College;
- (e) To present trophies for competition among the present students of the College;

- (f) To raise funds, call for and accept donations for the purpose of carrying out any of all the objectives of the Association;
- (g) To establish branches or other organizations in furtherance of the objectives of the Association;
- (h) To show interest and participate in any affair that will enhance the reputation of and immortalize the College.
